

The diagram illustrates a sequence of 16 steps, each labeled with a fraction (8/1 to 8/16). The steps are arranged in a grid-like fashion, with bars of varying heights representing the values at each step. The diagram is divided into two main sections by a vertical dashed line. The left section contains steps 8/1 through 8/8, and the right section contains steps 8/9 through 8/16. The bars are arranged in a way that suggests a progression or transformation over time, with some steps showing multiple bars of different heights.
